Please refer to the Available Pieces page for Item Numbers.

For pieces where a style does not apply (such as arm styles on armless pieces), enter **N** in that position. For example, an Ottoman SKU (item #40) would be written as D\_NNN-40. Only the Base Style Code and Item Number are needed; Seat, Arm, and Backs do not apply.

## How to Find Your SKU Number

Using the Style Codes above, please provide the SKU number for EACH PIECE in your order.

<u>J</u>	<u>SEAM</u>	<u>ARM</u>	<u>BACK</u>	—	<u>ITEM</u>
	Style Code	Style Code	Style Code		Number

Please refer to the Available Pieces page for Item Numbers.

For pieces where a style does not apply (such as arm styles on armless pieces), enter **N** in that position. For example, an Ottoman SKU (item #40) would be written as J\_NN-40. Only the Seam Style Code and Item Number are needed; Arm and Backs do not apply.

## How to Find Your SKU Number

Using the Style Codes above, please provide the SKU number for EACH PIECE in your order.

<u>M</u>	<u>LEG</u>	<u>ARM</u>	<u>BACK</u>	—	<u>ITEM</u>
	Style Code	Style Code	Style Code		Number

Please refer to the Available Pieces page for Item Numbers.

For pieces where a style does not apply (such as arm styles on armless pieces), enter **N** in that position. For example, an Ottoman SKU (item #40) would be written as M\_NN-40. Only the Leg Style Code and Item Number are needed; Arm and Back do not apply.
